前言

2016年4月24日，中国长江三峡集团公司（以下简称中国三峡集团）和湖北省宜昌市人民政府共同举办了第58次中华鲟放流活动。2020尾大规模全人工繁殖子二代中华鲟放归长江，开启了回家之旅。

为了扩大放流活动影响力，让长江全流域民众共同行动起来保护水中国宝，中国三峡集团在中华鲟洄游归海期间，启动了“我与中华鲟共护长江美”为主题的护鲟、追鲟、画鲟系列活动。按照中华鲟洄游路线先后在宜昌、荆州、岳阳、武汉、九江、合肥、芜湖、南京、上海9个城市，通过护鲟使者募集、护鲟火种传播、鲟游监测播报、校园科学普及、少年儿童画鲟等方式，唤起全社会生态环境保护意识、提高公众保护中华鲟，共建美丽长江的自觉性和责任感。

按照中华鲟洄游路线先后在宜昌、荆州、岳阳、武汉、九江、合肥、芜湖、南京、上海9个城市，通过护鲟使者募集、护鲟火种传播、鲟游监测播报、校园科学普及、少年儿童画鲟等方式，唤起全社会生态环境保护意识，提高公众保护中华鲟，共建美丽长江的自觉性和责任感。

特别是在9个城市举办的少儿主题绘画征集活动，为系列活动划上了异彩纷呈的句号。孩子们用画笔描绘出对中华鲟和长江母亲河的爱与憧憬。

本次绘画活动共收到有效实体作品1230多幅。有2000余名少年儿童拿起画笔积极响应，其中年龄最小的仅有两岁半。评审分初评和复评两个阶段。经过专业教师对上千幅作品初评，选出300幅作品入围复评。11月2日，经中国少年儿童出版社、中央美院、大自然保护协会（TNC）、世界自然基金会（WWF）及中国三峡集团宣传与品牌部、中华鲟研究所等单位 and 机构的专业人士组成的复评专家团认真复评，评出一等奖8幅，二等奖16幅，三等奖30幅。获奖作品分别在北京、湖北宜昌等地展出。

在此，我们沿着追鲟足迹，将获奖画作倾情展示，以飨读者。

P r e f a c e 前言

On April 24, 2016, the 58th releasing of Chinese sturgeon took place in Yichang of Hubei province, jointly held by China Three Gorges Corporation (CTG) and Yichang city. A total of 2020 Chinese sturgeons, a highly protected fish species in China which has been in existence since the time of the dinosaurs, were set free in the Yangtze River and have commenced their journey back home.

The released fish are the second generation of artificially-propagated sturgeons. Successful breeding will help protect the species from overfishing and natural disturbances.

To maximize the impact of the release and to allow for more people in the Yangtze River Basin region to participate in the protection of the national aquatic treasure, CTG organized a series of activities around the theme of “protecting Chinese sturgeons and preserving the beautiful Yangtze River” during their migration back into the sea. These activities range from protecting and tracking of the sturgeons to children’s paintings of the fish.

A series of activities such as selection of a sturgeon protection ambassador, a torch relay for sturgeon protection, sturgeon migration monitoring and broadcasting, science popularization in campus, and sturgeon painting by young children were held to raise public awareness for ecological environmental protection. These activities also aimed to encourage people to take on more responsibility in fostering a beautiful Yangtze River along the Chinese sturgeon migration route. This route includes the nine cities of Yichang, Jingzhou, Yueyang, Wuhan, Jiujiang, Hefei, Wuhu, Nanjing, and

Shanghai.

The children's painting competition, held in these nine cities, was the perfect conclusion to this series of events. The children used their brushes to capture their love and aspirations for the sturgeons and the nurturing Yangtze River.

There were approximately 1,230 pictures collected from more than 2,000 children, among whom the youngest entrant was only two and half years old. The judging was divided into two phases. The first review selected 300 finalists and the second review took place on November 2, 2016.

During the second review, 8 winners were selected for first place, 16 winners for second place, and 30 winners for third place. They were selected by a team comprised of experts from China Juvenile and Children's Books Publishing House, China Central Academy of Fine Arts, The Nature Conservancy (TNC), World Wide Fund for Nature (WWF), Press and Branding Department of China Three Gorges Corporation, and Chinese Sturgeon Research Institute under CTG. The award-winning paintings were exhibited in Beijing, Yichang (Hubei) and other cities.

Now, we trace the path of the Chinese sturgeons and present the best of the artwork for you to enjoy!
